

# Technical Data Sheet

Ceiling system T24 A 600 x 600 x 20 mm

---

**Tiles dimensions** 595 x 595 x 20 mm

---

**Acoustic absorption** Alpha w = 0,85

---

**Dimensional stability at 40°C and 100% Relative Humidity** 0,2 % and 0,0 %

---

**Fire retardant** Classification B-s1, d0

---

**Lightweight but self carrying** 1400 gr/m<sup>2</sup>

---

**100% Recyclable** Polyester weave + polyester nonwoven

---

**Extra added value** Air purification with Airmax 2.0 technology

---

**Nice textile look** Of a 100% polyester weave

---

**Easy to install** More flexible than other ceiling tiles

---

**Easy to cut** With a cutter knife on a wooden surface

---

**Cleanable** With a damp cloth

---
